4th Annual March for Life
Saturday, March 17, 2007

Before I formed you in the womb I knew you... Jeremiah 1:5

For the past four years the Knights of Columbus have sponsored the March for Life in the San Fernando Valley. The purpose of the March is to raise awareness of the nearly 40 million abortions that have occurred since the Roe v. Wade decision in 1973. We, as Christians, have a responsibility to stand up for the sanctity of life and to fight against the culture of death. The March for Life raises money, which is given to the Pregnancy Counseling Center who uses the funds to provide support for women who choose life and to help those who are in the process of making the choice between the life and death of their unborn child. Join us in this 2-mile walk and help us make a difference in our community.
